From the stony, warm soils of the Gimblett Gravels in Hawke’s Bay to the volcanic, clay soils of Te Muna Road in Martinborough these exceptional vineyards produce wines with amazing aromatics, purity and complexity. Martinborough WineNew Zealand View all products Part of the Wairarapa region in the southern end of the country’s North Island, Martinborough is a bucolic appellation full of artisan, lifestyle wine producers. The winery are one of the twelve founding members of Wine New Zealand, a group who came together to promote excellence and awareness of the best wines from New Zealand. Lovely precision on the palate with a core of zesty fruit and a long satisfyingly dry textural finish. Matt Stafford, Chief Winemaker says: “We chase complexity in our Sauvignon... The day includes a variety of food and wine masterclasses, vertical tastings and wine stations to enjoy throughout the stunning grounds of Giants Winery. Quite a textural Sauvignon Blanc with sweet grass, grapefruit, nut and subtle honey flavours and a rich and creamy palate. This wine has a pale lemon straw colour. By using our website and/or subscribing to our newsletter, you agree to our use of cookies and the terms of our Privacy Policy The acidity is rather searing on this youthful wine, but the slippery texture and fruit weight come to its rescue. Showing good vibrancy and delicacy, it is freshly scented and youthful.”There are currently wines matching this description. Wine Club Sign up to the Craggy Range Wine Club as a Prestige member. 4.3 90 Ratings From the lower terrace of our Te Muna Road Vineyard in Martinborough, this wine is sourced exclusively from several parcels of vines growing on stony, limestone influenced soils. Owner Terry Peabody and his family pursued the single vineyard approach to winemaking, planting on green fields and bare land ensuring a focus on quality from the very beginning. YNG689026_2017 Item# 383353 That green bell pepper aroma that all three varieties share is no coincidence—it comes from a high concentration of pyrazines (herbaceous aromatic compounds) inherent to each member of the family. Pinot noir is the main grape variety here, occupying over half of the land under vine. Comparing topography, climate and soils, the region is nearly identical to Marlborough except that it produces top quality reds on the regular.
